MATHS WORKSHEET · TOPIC 1

Place Value to 100

Ages 7–8 | About 20 minutes

Name _____

Date _____

Remember

- A two-digit number is made of **tens** and **ones**. In 47 the 4 means 4 tens, which is 40.
- To **partition** a number, split it into tens and ones: 47 = 40 + 7.
- To compare, look at the tens first. The mouth of < and > eats the bigger number.

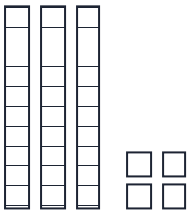

Key words

tens | **ones** | **digit** | **partition** | **number line** | **greater than >** | **less than <**

1 Build it

Activity · drawing

Draw tens sticks and ones cubes to show each number. The first one is done for you.

34

example

26

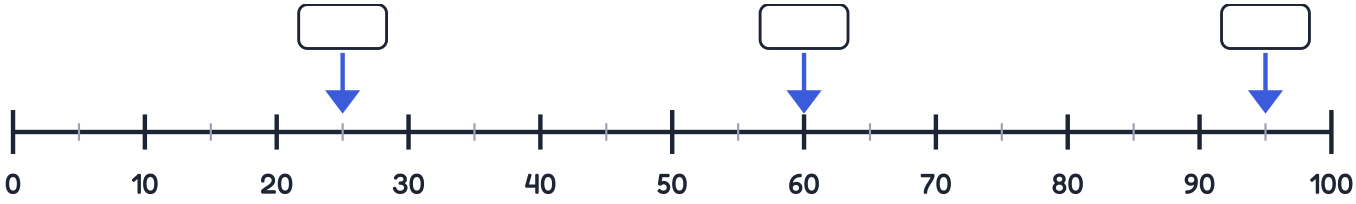

53

70

2 Number line detective

Activity · number line

Write the number each arrow points to. Then draw your own arrows to **45** and **82**.

3 Split it up

Activity · partition

Fill in the gaps.

58 = _____ tens + _____ ones

47 = 40 + _____

_____ = 90 + 3

61 = _____ + 1

6 tens and 0 ones = _____

35 = 20 + _____

4 Practice questions

Use your best handwriting

a In the number **63**, what does the 6 mean? Tick one.

☐ 6 ☐ 60 ☐ 3

b Write < or > in each circle.

38 ◯ 83 71 ◯ 17 55 ◯ 50

c Put these numbers in order, smallest first: **64, 46, 60, 49**

☐ ☐ ☐ ☐

d Hana has 5 bundles of ten beads and 2 loose beads. How many beads does she have?

Answer: _____ beads

e Draw a line from each number to the number that is **10 less**.

45 ●	● **80**
72 ●	● **35**
90 ●	● **62**

f Riddle: I have 7 tens and 4 ones. What number am I?

I am _____

g Mina says **82 is smaller than 28** because 82 ends in 2. Is she right? Explain why.

_____

_____

★ Challenge

Have a go!

Use the digit cards **3**, **8** and **5**. Make the **biggest** and the **smallest** two-digit numbers you can.

Biggest: _____ Smallest: _____

⌂ Try it at home

With a grown-up

Ask for a handful of 10p and 1p coins. Put the 10p coins in one pile and the 1p coins in another. How much money is there? Write it as tens and ones.

_____

How did I do? Colour one face for each.

I can say the tens and ones in a number to 100.	☺	😐	☹
I can show a number on a number line.	☺	😐	☹
I can compare two numbers using < and >.	☺	😐	☹

Grown-up check: _____ / 12 correct · Signed: _____
